¿CÓMO SE DETERMINAN LOS IMPUESTOS A LA PROPIEDAD?

- Los distritos escolares, los municipios, los distritos de parques y otros gobiernos locales establecen el gravamen, o la cantidad total de impuestos que se recaudarán para pagar sus operaciones.
- El Tasador estima el valor de las propiedades y establece las exenciones de los propietarios, que luego se utilizan para determinar qué parte de la factura fiscal total paga cada propietario.
- La Secretaría determina las tasas impositivas, en función de los gravámenes y el valor tasado general en cada gobierno local. El valor tasado, multiplicado por la tasa, debe ser igual al gravamen total.
- La Tesorería envía las facturas, recoge el dinero y lo distribuye a los gobiernos locales que establecieron los gravámenes en primer lugar.
