

Historic Total

This tab shows 30 years of Cook County property tax increases, both in real dollars and in inflation-adjusted dollars.

- It shows that the countywide property tax total grew faster than inflation — exceeding it by 38% during the past 30 years.
- To see how taxes grew over that period just in Chicago, in the North and Northwest suburbs and in the South and Southwest suburbs, click the tabs in the upper right corner (outlined in the blue box).

TIP: To view a wider frame of the graphic, click the X in the upper right corner of the screen (outlined in green circle).

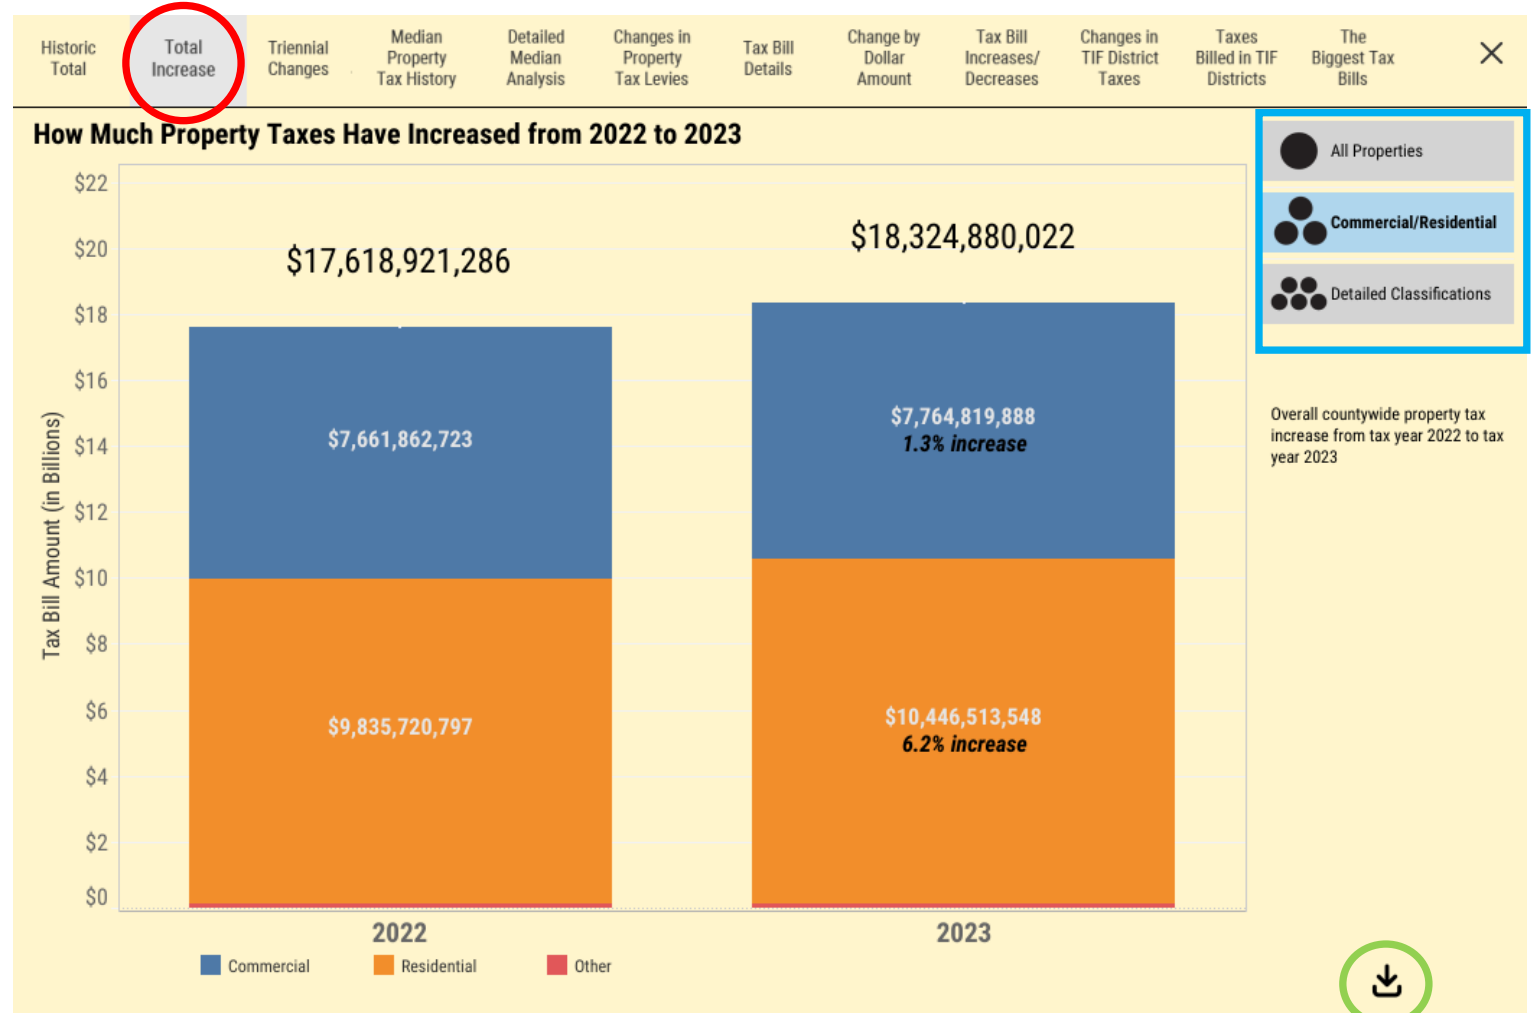

Total Increase

This tab shows how much countywide taxes increased from tax year 2022 to 2023.

- To see the increase for all properties; combined commercial and residential; or broken down by commercial, residential, industrial, multifamily and vacant land, click on the tabs in the upper right corner (blue box).

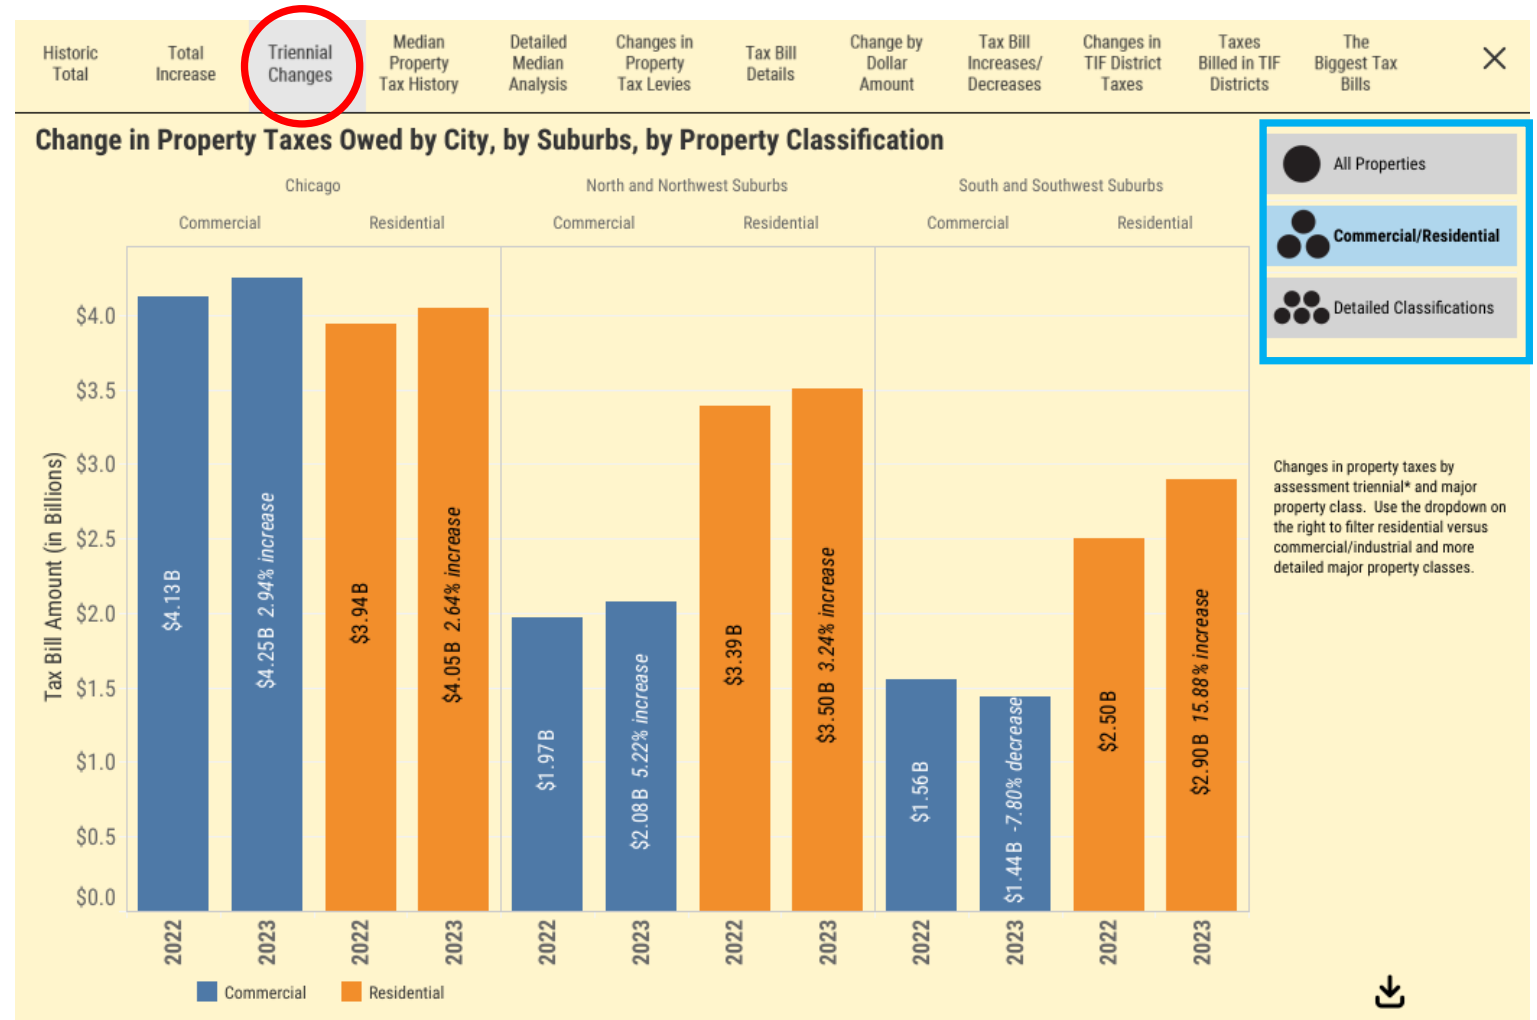

TIP: Use the download icon in the lower right corner to download each tab's data. (Green circle)

Triennial Changes

This tab shows the changes in total amounts billed in each Triennial (Chicago, north and northwest suburbs, and south and southwest suburbs) from tax year 2022 to 2023.

- To break down the changes by all properties, commercial vs. residential and by detailed property class, click on the tabs in the upper right corner (blue box).

Median Property Tax History

This tab shows the changes in median tax bills since 2003.

- Click the tabs in the upper right corner to view these changes countywide, in Chicago, in the north and northwest Suburbs and in the south and southwest suburbs (blue box).
- Click on the lower three tabs to view the medians for all properties, for combined commercial vs. residential and for detailed property classes (green box).

Detailed Median Analysis

Click this tab to see the median increase in each suburb, Chicago community area and Chicago ward.

- Toggle between the map icons in the upper right corner to see medians by suburb/Chicago community area and Chicago ward (blue box).
- To break out commercial, residential and other (vacant properties) – or view the median for all properties, use the icon tabs below the map tabs (green box).

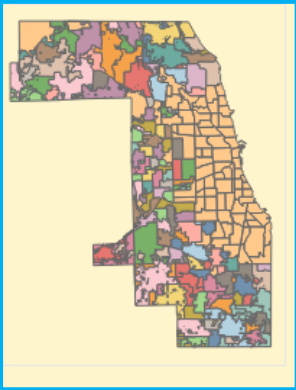

TIP: To sort by any column (they are inside the purple box here), click on the heading for the one you want to sort to see sorting options.

Changes in TIF District Taxes

This tab shows how much the amount of money billed for all tax increment financing (TIF) districts in each region of the county increased from tax year 2022 to 2023.

Taxes Billed in TIF Districts

This tab shows the amount of money billed in tax year 2022 and 2023, plus the changes over that one-year period, for each of more than 400 TIF districts spread across Cook County.

- To view the TIF billing totals and changes within each suburb or Chicago community area, hover over the map in the upper right corner until you find the suburb or community area you are looking for (in the blue box). Once you find it, right click.
- To see the changes in a list not sorted by municipality, click the button in the upper right corner (green box).
